SILVERCHAIR LEARNING SYSTEMS TO PRESENT ONLINE LEARNING SOLUTIONS FOR SENIOR CARE AT 2010 AAHSA ANNUAL MEETING & EXPOSITION

Charlottesville, VA, October 28, 2010 – Silverchair Learning Systems, the leader in online training for senior care, will exhibit at the 2010 AAHSA Annual Meeting & Exposition in Los Angeles, CA, October 31-November 3. Attendees can visit Silverchair at Booth #501 to discover Silverchair's latest course offerings, check out client success tips, and preview Silverchair's newest education product.

As part of Silverchair's 'Secret to Our Clients' Success' campaign, attendees can enter to win a \$1000 gift card when they visit the booth and check out a client case study.

"Silverchair has amassed an impressive portfolio of client case studies that showcase best practice thinking on using online learning successfully in senior care. We look forward to sharing these with prospects interested in learning how to take their training to the next level," says Mike Mutka, President and COO of Silverchair Learning Systems. "AAHSA provides a great chance to not only meet new prospects but to also visit with the hundreds of AAHSA member clients who have become good friends."

Silverchair offers a highly effective and affordable turn-key learning program that delivers, tracks and reports on educational programs for any long-term care provider's entire organization. The training program includes a complete curriculum of in-service and regulatory courses required by CMS (Centers for Medicare & Medicaid Services) and OSHA (Occupational Safety and Health Administration), as well as important resident care topics that specifically address the needs of senior care providers and their employees. The program can also be customized to include material specific to an organization.

###

About Silverchair Learning Systems

Silverchair Learning Systems works with senior care leaders who want to improve the training process in their organizations. Silverchair offers a user-friendly online training solution that improves compliance and eliminates record keeping headaches, while saving time and money. We make online training successful with easy set-up, ease of use, simple tracking, and educationally-rich yet fun courses. Using this system provides peace of mind and confidence.
